

WEEK 1

Aim

To create an ATS-friendly resume webpage using basic HTML elements.

Description:

This experiment demonstrates the creation of a structured resume using basic HTML. The webpage includes personal details, contact information, career objective, educational qualifications, technical skills, work experience, projects, certifications, strengths, languages known, and declaration. HTML elements such as headings, paragraphs, lists, tables, images, and horizontal lines are used to organize the resume.

Program:

ATS Friendly Resume Using Basic HTML

Program Code:

```
<!DOCTYPE html>
<html lang="en">
<head>
  <meta charset="UTF-8">
  <meta name="viewport" content="width=device-width, initial-scale=1.0">
  <title>Resume</title>
</head>
<body>
  <h1 align = "center">
```

SAMPATHIRAO THANMAY SRI VASTAV

</h1>

<div align = "center">

</div>

<h3 align = "center">

Full Stack Web Developer|DevOps Enthusiast

</h3>

<hr>

<div>

<h2>Contact Information</h2>

<table border = "1">

<thead align = "center">

<th>Information</th>

<th>Details</th>

</thead>

<tr align = "center">

<td>Email</td>

<td>sampathiraathanmai@gmail.com</td>

</tr>

<tr align = "center">

<td>Phone</td>

<td>9398647413</td>

</tr>

<tr align = "center">

<td>LinkedIn</td>

<td>sampathiraathanmai</td>

</tr>

```
<tr align = "center">
```

```
<td>Location</td>
```

```
<td>Andhra Pradesh, India</td>
```

```
</tr>
```

```
</table>
```

```
</div>
```

```
<hr>
```

```
<div>
```

```
<h2><font color = "blue">Carrier Objective</font></h2>
```

```
<p>Motivated self-taught developer with hands-on experience building responsive web layouts and interactive user interfaces.
```

```
    Good at practical knowledge of modern web standards, HTML/CSS.Eager to contribute to building responsive, user-friendly web applications while expanding my technical expertise in a collaborative team environment.
```

```
</p>
```

```
</div>
```

```

</html>

```

Details About Program:

Saved in: Week 1 folder of the repository.

File used: HTML file with an image stored in the images folder.

Technology used: HTML.

Execution: The HTML file is opened in a web browser.

Working: Basic HTML elements are used to create and organize different sections of the resume. Tables are used for contact, education, and project details, while lists are used for skills,

experience, certifications, strengths, and languages.

Output:

SAMPATHIRAO THANMAY SRI VASTAV

Full Stack Web Developer|DevOps Enthusiast

Contact Information

Information	Details
Email	sampathiraothanmai@gmail.com
Phone	9398647413
LinkedIn	sampathiraothanmai
Location	Andhra Pradesh, India

Carrier Objective

Motivated self-taught developer with hands-on experience building responsive web layouts and interactive user interfaces. Good at practical knowledge of modern web standards, HTML/CSS.Eager to contribute to building responsive, user-friendly web applications while expanding my technical expertise in a collaborative team environment.

Educational Qualification

Degree	University	Year	CGPA/Percentage
B.Tech	ANITS	2028	9.0
Intermediate	Sri viswa	2024	97.4%
SSC	Bhavani vidhyanikethan	2022	94%

Technical Skills

- c
- c++
- java
- HTML
- SQL
- Python
- Git & Github

Projects

Project	Technology	Description
MediQuick – Local Pharmacy	HTML5, CSS3, JavaScript	Developed a clean, responsive landing page for a community pharmacy to improve local digital presence.
EduPrime	HTML5, CSS3, JavaScript	Developed a web-based revision application designed to help students memorize study materials across multiple subjects.

Certifications • ML Certification APSSDC • Full Stack Web Development • Python Programming • Mysql Certification
Strengths • Curious to gain Tech Knowledge • Good Grasping power • Good Problem Solving • Good at Time Management
Languages Known • English • Telugu
Decalaration I hereby declare that the above Information is true and correct to the best of my knowledge and belief. Date: _____ Signature BEHARA LASYA SREE

Result:

The ATS-friendly resume webpage was successfully created using basic HTML elements and displayed in a web browser.
